WINDOWS | DOORS | ROOFING

Introduction to

Titan Builders

For over 40 years, our founders - spanning multiple generations of general contractors - have constructed both commercial and residential properties. Our skilled team, experts in impact windows, doors, and roofing brings extensive experience and know-how to tackle projects of any scale. We're not a marketing firm; we're a dedicated group of industry professionals focused on delivering top-tier impact window, door, and roofing solutions.

OUR AREAS OF FOCUS include, but are not limited to commercial projects, new construction, and residential retrofits.

- Residential Window/Door Retrofit
- Residential Re-roof

- Bondable Commercial Window/Door Retrofit
- Bondable Commercial Re-roof

- Bondable New Construction Window/Door Retrofit
- Bondable New Construction Re-roof

Proudly Bonded Through: Western Surety Company

Titan Builders is a full service construction company which specializes in roofing, interior glass, impact windows and doors; comprised of an ownership team with top-tier experience and resources, giving us the opportunity to take care of our clients exceptionally.

Titan Builders serves Miami-Dade, Broward, Palm Beach, Monroe, and Martin counties with client-focused dedication. Our expert Partners guide our teams to provide top-notch regional oversight, backed by over 100 years of collective leadership experience.

**Our team has

completed for local and
national private clients in
recent years.**

WINDOW AND DOOR PRODUCT OFFERINGS

Titan Builders offers a wide range of impact window and door and roofing products. With access to CWS, ESW, Mr. Glass, PGT, ECO and several other leading brands, we can offer our customers the right product at the best price. Our Project Managers factor in a variety of important factors in order to suggest the right product for each and every customer. This approach allows us to provide the best value for each individual project

ESWINDOWS

MR-GLASS
DOORS & WINDOWS
MANUFACTURING, LLC

Proudly Located In Ocala, Florida Since 1986 Custom Window Systems, Inc. prides itself in producing high quality, American Made window and door products for both residential and commercial use. CWS has fabricated high quality windows, doors, and porch enclosure products designed and constructed for Florida and coastal markets since 1986.

ESWINDOWS

ESWindows is a member of Tecnoglass Inc. (NASDAQ: TGLS) a leading manufacturer of architectural glass, windows, and associated aluminum products for the global commercial and residential construction industries.

ROOFING PRODUCT OFFERINGS

Titan Builders offers top roofing products from Owens Corning, Westlake Royal, Carlisle, and CertainTeed. With access to these leading brands, we provide the best solutions at competitive prices. Our Project Managers assess key factors to recommend the perfect product, ensuring great value for every project.

Titan Builders is Proudly Certified by Mule-Hide Roofing, owned by ABC Supply Co. Inc., is a leading provider of high-performance, cost-effective TPO commercial roofing systems. Known for superior strength, energy efficiency, and ease of installation, Mule-Hide TPO is available in standard, self-adhering, and fleece-back options, offering exceptional UV, chemical, and puncture resistance.

Based in the U.S., Westlake Royal Roofing Solutions offers top-quality, American-made roofing tiles for South Florida's residential and commercial properties. Specializing in durable clay and concrete tiles, they've built products like Newpoint™ Concrete Roof Tiles and US Tile® Clay Roofing Products to withstand the region's tough weather while boosting home appeal since establishing their trusted name.

PROJECT MANAGEMENT

Our seasoned project managers take the helm, guiding every phase of the journey with precision and clear communication. They keep both our Titan Builders teams and our valued clients in sync, fostering confidence and understanding from start to finish on every project.

FINANCING PARTNERS

Titan Builders stands out in the industry with unmatched support for customers seeking financing. We provide both credit-based and PACE financing options to everyone, partnering with trusted names like Slice, Ygrene, and Service Finance.

OUR STRATEGY OUR VISION

Titan Builders' "Customer First" ethos, led by veteran leaders, drives our company culture. We deliver fair, top-quality service, ensuring client satisfaction through clear communication and transparency—our ultimate goal.

ATTENTION TO DETAILS

Cost

With access to the industry's leading brands, Titan Builders offers competitive pricing for all project types — retail, residential, or commercial. We go the extra mile with meticulous cost and quantity analysis, ensuring precise estimates are provided before any project begins, giving our clients confidence in every step.

Design

Our in-house design experts at Titan Builders bring decades of experience, having shaped some of South Florida's most standout projects. We listen closely to our clients, blending their vision with our expertise to craft tailored, practical solutions that perfectly suit every unique need.

Changes

Titan Builders is committed to nailing it on the first try. While adjustments can happen, our detailed estimating process keeps additional costs to a minimum — unless directed by the client — ensuring projects stay on track and budget shifts, whether up or down, align with your goals.

Communication Continuity

- Dedicated Project Managers & Field Supervisors
- CRM automation
- Follow up

Administration & Back Office Support
