

Statement of Qualifications for Roofing

The Melanson Company has a long history of providing roofing services for school districts, municipalities, colleges, universities, hospitals, and state and federal facilities across northern New England. We have been in continuous operation as a family-owned business for over 90 years.

Our commercial and service divisions are greatly respected by architects, consultants, and the construction community at large. It is our mission to provide every customer with quality services and products in a professional, safe, and environmentally friendly manner. Our commercial division engages in a comprehensive, innovative approach to resolving a building's particular roofing needs. We listen and help our clients to make well-informed decisions which meet both their short- and long-term goals.

From project managers to field personnel, our employees are trained on the latest products, installation procedures, and safety regulations. The following are key personnel related to this project and their qualifications:

Robert Therrien Jr. - President has over 45 years of experience in the roofing industry, Past President of the National Roofing Contractors Association, the Northeast Roofing Contractors Association, and is a Graduate of University of Detroit with a professional Degree in Architecture.

Robert Hardy - Vice President/Bow General Manager has over 35 years of experience in the construction/roofing industry and is a graduate of New Hampshire Vocational College, Manchester, NH.

Corey Bell - Project Manager/Estimator has over 20 years of experience in the roofing industry and holds a BS in Safety Studies from Keene State College.

Don Gosselin – Operations Manager has over 20 years of experience in the roofing and construction industry.

Brad Carson- Safety Manager has over 15 years of experience in roofing safety and holds a BS in Safety Studies from Keene State College.
